The Premier Flat Pack Experts

STORAGE UNITS

Full product range in stock available immediately.

Comes with two variants
- Painted and Galvanised.

Key Features Include:

Man-portable / Demountable / Flexible / Galvanised
Complete / Versatile / Secure / Simple / Quick / Extendable

- Easily movable to other locations
- Highly flexible to mount and dismantle on the sites
- A quality, enriched look
- Approved CE Mark
- 5 Year guarantee
- No special tools or machinery required whilst mounting or dismantling
- Units are designed to link each other easily
- Easy to assemble and ready to use in about 45min
- Since the units are easily convertible into flat-pack form, these can be assembled and dismantled multiple times without detriment to the structure
- Completely galvanized body
- Optional forklift feet
- Optional self levelling feet
- Optional external powder coated painting
- Double locking system to provide additional security.

The UK's best selling man-portable, high quality, flat packed storage unit.

The Premier Flat Pack Experts

TECHNICAL DETAILS

Storage units are designed and developed with different specifications and these are un-insulated closed volume demountable storage containers. Easy to assemble all the units using nuts and bolts enclosed within the kit.
